

What can I apply for?

You can apply to bring in a relief facilitator (who doesn't normally work with your youth theatre) to deliver your regular weekly youth theatre workshop. This support is offered on a rolling basis so that it covers all planned and unexpected eventualities that might arise within your youth theatre. Youth Theatres can apply for no more than two workshops in one application.

How do I apply?

This fund is available on a rolling basis and can be applied for up to a month and within three days of the scheduled workshop.

Please fill out the application form identifying who will provide the relief workshop within your youth theatre and why you have chosen them specifically. Please include their CV.

How much will NAYD contribute?

NAYD will cover the costs of the facilitator to a maximum of a two-hour workshop. The fee available will be €50 per hour. The scheme will not cover travel or other expenses.

Payment will be made upon receipt of an invoice once the workshop has been delivered.

The youth theatre must also submit a short emailed report to NAYD with the invoice.

As this is a rolling scheme there is no closing date.
